## INSTRUCTION MANUAL

## PARTS INCLUDED

## DOOR ASSEMBLY INSTRUCTIONS

- 1** Position the metal latch plates (E) on left side of doorway in Panel (A), lining them up with the screw holes in the doorway. Place 1 metal latch catch (F) on top of each latch plate (E) so that the screw holes line up. Secure each latch plate (E) and latch catch (F) together to the doorway using 2 Phillips screws (G) for each set.  
(Note: Make sure that the opening of each latch catch is facing upwards.)
- 2** Attach both latches (D) to the left side of the door using 2 Phillips screws (G) for each latch.
- 3** Attach hinges (C) to the right side of the door using 2 Phillips screws (G) for each hinge, lining up the holes in the hinge with the screw holes in the side of the door.  
(Note: Check that the hinges open correctly and are not reversed.)
- 4** Attach the door to the right side of the doorway using 2 Phillips screws (G) for each hinge.
- 5** Check the fit and function of the door and the latches, then make sure all the screws are tight.

## PEN ASSEMBLY INSTRUCTIONS

---

- 1 Insert the rubber feet (H) into the holes on the bottom of each panel, using two per panel.
- 2 Stand the door panel and another panel upright and align the edges. Make sure that the edge connectors interlock and that the door panel faces outward.
- 3 Slide the connecting rod (I) down through the edge connectors to attach the panels.
- 4 Repeat for the other panels.

- Make sure the pen is always placed on a flat surface.
- Make sure the door is properly locked when pets are inside. Periodically check on your pets.
- Do not place the pen near a fireplace or other source of heat.
- Wash with mild soap and warm water. Rinse with a damp cloth or sponge.

## WARNINGS AND CAUTIONS

---

We care about the safety of your pet, so please **READ AND FOLLOW ALL INSTRUCTIONS** before using a new pen. Improper use may result in serious injury or even the death of your pet.

- To prevent choking and other serious injuries, always remove any collars, tags or leashes from your pet before placing him in his pen.
- If your pet has never been kept in any enclosure, then specific training may be necessary for his safety.
- This pen is not designed to restrain dogs who may jump onto or launch themselves into the side of the pen.
- Before your pet enters his pen, make sure that it's secure. Double-check that the pen is properly assembled and all parts are secure before leaving your pet inside his pen to play.
- If using the pen indoors, do not leave your pet inside his pen for too long. Remember, pets need time to socialize and go potty! Consult your veterinarian or trainer to determine the appropriate amount of time that your pet can safely and comfortably be left in his pen.
- Always be sure your pet has had enough food and water before leaving him in his pen.
- Consult your veterinarian about whether it's safe to leave food, toys or other items in the pen with your particular pet. They all have unique personalities and habits, so what works for one might not work for another.
- We know how excited pets can get, but do be sure to make sure his paws, snout, ears or tail aren't in the way of the door hinge or latch. Ouch!
- Never place your pet's pen in direct sunlight. Always make sure there is shaded area if placing the pen outside and provide water to your pet. Serious heat stroke or death could result from an overheated pet.
- While we are dedicated to providing the best for your pet, Chewy, Inc. is not responsible for any loss, damage, discomfort, injury, illness, death or costs of any kind as a result of or by use of this pen.
