LIMITED ONE-YEAR WARRANTY
Warranted for one year from date of retail purchase against defects in material and workmanship. Solely for the benefit of the original consumer purchaser. (Retain your dated sales receipt as proof of purchase).

COVERED: Replacement of defective parts and labor, and product return to consumer.

NOT COVERED: Damages caused by abuse or failure to perform normal maintenance. Any other expense. This Warranty shall not apply to any defect, malfunction or failure to conform with the Warranty provisions if caused by damage (not resulting from defect or malfunction) due to unreasonable use by the Buyer.

This includes CONSEQUENTIAL DAMAGES, INCIDENTAL DAMAGES OR INCIDENTAL EXPENSES, INCLUDING DAMAGE TO PROPERTY.

SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

This Warranty gives you specific legal rights which may vary from state to state.

QUALIFICATION FOR WARRANTY PERFORMANCE: Return product with proof of purchase and narrative description of the defect together with your name and address, freight prepaid, to: Dowell Manufacturing Company, Inc., Warranty Division, 2300 E. Ramsloh Rd, Arlington, TX 76011.

This product will be repaired or replaced at Dowell's option and will be returned to you, without 45 days after receipt at Dowell.

REQUEST FOR WARRANTY ACTION: Please direct all requests for action on this Warranty or any other product inquiries to Dowell Manufacturing Company, Inc., Warranty Division, P.O. Box 1246, Arlington, Texas USA 76014-1246.

ASSEMBLY
Hopper Assembly:
1) Align hopper with base on an even surface.
2) Insert hopper into base and twist to lock in place.

Lid Assembly:
1) Line up arrows on hopper with arrows on lid.
2) Place lid on top of hopper and twist to lock lid into place.

To Assemble Bowl into Base:
1) Insert bowl into base by tilting base.
2) Lower bowl into base connecting hooks into the base.

INITIAL SETUP
READ ALL INSTRUCTIONS BEFORE OPERATING THE PRODUCT.

Install Batteries:
1) Turn the base upside down. Remove screw and battery cover.
2) Install 3 new "C" cell, alkaline batteries matching positive and negative markings (Batteries NOT included).
3) Replace and screw in battery cover.
SET CLOCK:
1) Press the (-) side of the On/Off switch DOWN.
2) Set unit right side up with LCD screen facing you.
   Note: Clock will flash 12:00 A.M. automatically.
3) Press ENTER button to set current time. The HOUR will be flashing.
4) Use UP or DOWN arrow buttons to set current HOUR.
5) Press ENTER button again and the MINUTES will start flashing.
6) Use UP or DOWN arrow buttons to set current MINUTES.
7) Press ENTER upon completion. Note: While setting clock during the "Initial Setup," if the programming
   is not completed the Programmable Portion Right Food Dispenser waits for you to finish.

SETTING ANY MEAL, MEAL TIME, and MEAL SIZE TO SET MEAL SELECTION:
1) Press and hold the ENTER button for 2 seconds. "MEALS" will flash.
2) Use UP or DOWN arrow buttons to select the desired Meal to be programmed. (Breakfast, Lunch or Dinner will flash as UP and DOWN arrow buttons are pressed).
3) Press the ENTER button to select the Meal.
   a) "No" will flash. Press the ENTER to confirm meal time.
   b) If you do not wish to set that meal, press the DOWN arrow to select "No" and press ENTER.
   Note: If "No" is selected, press ENTER and the software takes you back to "MEALS." Use UP or DOWN arrow buttons to select the desired Meal to be programmed.
4) H2 ENTER again if no other meal is needed.
5) While setting the Meal or Meal Time if process is not completed and no button is depressed for 2 minutes, the Programmable Portion Right Food Dispenser resets the change also goes back into "Automatic Mode," retaining the previous Meal or Meal Time.

TO SET MEAL TIME:
1) Use UP or DOWN arrow buttons to set Meal HOUR.
2) Press ENTER button again and the MINUTES will start flashing.
3) Use UP or DOWN arrow buttons to set Meal MINUTES.
4) Press Enter button when minutes are set. The Menu will automatically take you to the "Meal Size" programming.

TO SET MEAL SIZE:
1) Use UP or DOWN arrow buttons to increase or decrease amount of food to be dispensed.

MANUAL FEED OPTION
Press and hold UP Arrow button for 3 seconds.
Food will be dispensed according to first Meal set. Repeat if additional food is desired.

REPLACEMENT OF BATTERIES
- When the "LOW BATTERY" warning light is on OR before leaving for an extended period of time, replace the batteries (See "Initial Batteries" section).
- Set clock to current time.
Note: Meal Programming is stored and will NOT need to be reprogrammed after batteries are replaced.

CLEANING BOWL
1) Place fingers under bowl and ISP Bowl up to remove.
2) Pull bowl out horizontally removing it from the Base.
3) Hand clean with soft cloth and hand dry.

PET TRAINING TIPS
FOR PET'S NEW TO THE AUTOMATIC FEEDER
Some pets may require a special adjustment period to accommodate to their new automatic feeder. If this is your dog or cat, try:
1) Place the Programmable Portion Right Food Dispenser near your pet's existing bowl or feeder. (Do not turn the power on)
2) Place food in the bowl of the Automatic Portion Right Food Dispenser (only for a period of time to allow adjustment).
3) Keep food in the pet's current bowl (only for a period of time to allow adjustment).
4) Once you have observed your pet eating from the Programmable Portion Right Food Dispenser, remove the old feeding dish.
   Note: Adjustment time for the pet could be as short as a day or as long as several weeks, depending on your pet's personality. You can also introduce your pet to the Programmable Portion Right Food Dispenser by placing small treats in the bowl.

TROUBLESHOOTING
1) If no display is showing, turn on power.
2) If clock is flashing, the unit has lost its power and current time setting, reset current time.
Note: Previous meal programming does not need to be reset.
3) If "MEALS" is flashing, this indicates the unit did not completely deliver the full amount of food programmed for the meal.
   a) Turn unit off, empty the hopper and remove the hopper from the base.
   b) Check for food jamming in the throat of the base.
   c) Deftlodge food jam. Works best with .5 or smaller diameter food.
   d) Reassemble unit.
   e) Turn unit on and reset current time.
4) If the "Low Battery" indicator light is lit:
   a) Turn unit off.
   b) Refer to "INSTALL BATTERIES" Section.
   c) Turn the unit back on and set current time.
Note: Meal programming remains and does not need to be reprogrammed.
Check clock will be set after setting minutes and the unit is now in AUTOMATIC MODE. While setting current time, if the programming is not completed the Programmable Portion Right Food Dispenser waits until the current time is set and will not go into AUTOMATIC MODE.
Replacement parts are available at: www.petmate.com

CAUTION
SAVE THESE INSTRUCTIONS FOR FUTURE REFERENCE. READ ALL INSTRUCTIONS BEFORE OPERATING PRODUCT.
- For indoor use only.
- For dry food use only. Works best with .5 or smaller diameter food.
- NOT recommended for puppies or kittens less than 7 months old or unable to reach the feeding dish.
- Do NOT use this feeder with puppies, kittens, kittens or cats with any physical disability.
- Do NOT allow small children to play with it around feeder.
- Before leaving for extended time, always replace batteries with 3 new "AA" batteries.
- Do NOT place any foreign object in the feeder.
- Do NOT operate feeder without hopper and hopper lid securely in place.
- Feeder should be placed on a level surface.
- Do NOT disassemble feeder other than hopper, hopper lid and battery cover.
- Check the low battery light frequency to be sure the feeder is dispensing properly.
- Dispose of all packaging material properly. Some items may be packed in poly bags; these bags could cause suffocation, keep away from children and pets.

WARNING
Do NOT place anything on top of feeder.
Base unit should NOT be submerged in water at any time, this will damage electronic components and void the warranty.

NOT DISHWASHER SAFE.
