#### ARCHETYPE™ – A VERY SPECIAL FOOD

Archetype™ emulates the food animals eat in the wild – the diet they are genetically programmed for.

#### Features:

- Archetype™, first and foremost, is not heated above 118° – a True Non-Thermal™ freeze-dried raw product!
- Archetype™ contains rabbit, plant nutrients, nutraceuticals, vitamins, minerals, and an array of micronutrients.
- Archetype™ contains nutritional fatty acids that are naturally protected against free radical/oxidation degradation.
- Archetype™ contains special nutrients and herbal extracts.
- Archetype™ is rich in proteins and amino acids.
- Most importantly... **Wysong Works!**

For an explanation of all ingredients, please scan this QR Barcode with your mobile, or visit [m.Wysong.net/tnt](http://m.Wysong.net/tnt)

#### DIRECTIONS

Archetype™ consists of chunks, shreds, and powder. Proportions, shapes, color, and sizes of components will vary from bag to bag. Packages are filled on a weight basis so volume may also appear different from bag to bag. Our goal is to provide a nutritious food, not perfect form. Gradually introduce to avoid digestive upset.

**Suggestions for Use:** 1. Chunks: Offer as a treat, reward, or meal. 2. Shreds and powder: Mix with water to create a gravy for meals, to top-dress Wysong dry or canned diet meals, or to top-dress homemade meals. 3. Mix with Wysong UnCanny™.

Archetype™ may be fed dry or soaked in water for 10-15 minutes. Excess moistened food should be refrigerated for the next feeding or discarded. For maximum health benefit, rotate Archetype™ with fresh foods and other Wysong Diets™.

Always keep fresh, pure water available (enhanced with Wysong WellSpring™ water rejuvenator) and offer plenty of fresh air, sunshine, exercise, and big doses of your tender loving care.

Keep tightly sealed, and store in a cool, dry place out of direct sunlight.

**Safe Handling Instructions:** This product contains raw meats. Use the same precautions you would with any other raw meat. Wash hands and surfaces after contact. Keep product away from children. For government information on the safe storage, handling, and preparation of raw meats, visit [FoodSafety.gov](http://FoodSafety.gov).

Made in the USA

Net Weight 7.5 oz.

#### FEEDING GUIDE

To avoid digestive disturbances, introduce gradually and increase portions as needed.

Dog Weight (lbs.)	3	5	10	20	40	60	80
Cups per Meal	¼	¼-½	½-¾	¾-1	1½-2	2 ½-3	3-3½

Cat Weight (lbs.)	5	10	15	20
Cups per Meal	¼-½	½-¾	¾-¾	¾-1
