

Feline Recommended Daily Feeding Amounts

Feed Nature's Logic® either dry or moistened with water. Use below recommendations and adjust to maintain your cat's optimal body weight. As with any new food, introduce Nature's Logic® gradually, over a 7-10 day period, to ease your pet's transitions to the new diet.

Water: Provide your cat with fresh water in a clean bowl daily.

Weight of Cat	Kitten	Adult-Normal Activity	Adult-Very Active Adult Pregnant Adult-Nursing
1-2 lbs.	1/3 – 1/2 cup	N/A	N/A
3-5 lbs.	1/2 – 3/4 cup	1/3 – 1/2 cup	1/2 – 2/3 cup
6-10 lbs.	3/4 – 1 cup	1/2 – 2/3 cup	2/3 – 1 cup
11-15 lbs.	N/A	2/3 – 1 cup	1 – 1 1/4 cups
16-20 lbs.	N/A	1 – 1 1/4 cups	1 1/4 – 1 1/2 cups
