Only for use on cats. Read entire label before using. PetArmor® for Cats is a topical application for fast action and a lasting control of fleas, ticks, and chigger lice.

How to Apply:
1. Open the child-resistant package according to the directions on the back of the sealed inner package for each pet.
2. Flip the tip of the applicator away from you or others.
3. Part the cat's hair and place the tip of the applicator on the skin behind the ear and between the shoulders. Gently squeeze the entire contents of the applicator on the cat's skin, avoiding eyes, ears, and mucous membranes.
4. Do not apply the product on the cat's face or around the eyes or ears. Do not apply in areas where the cat may lick it.

For topical application only. Apply PetArmor® for Cats only to cats and kittens aged 4 weeks or older, excluding o breeding, pregnant, and nursing queens, as indicated below for control of, fleas, ticks, and chigger lice.

Topical application only. Apply PetArmor® for Cats only to cats and kittens aged 4 weeks or older, excluding o breeding, pregnant, and nursing queens, as indicated below for control of, fleas, ticks, and chigger lice.

Comix® Pet Armor Spot On is a non-toxic ingredient.

Keep Out of Reach of Children

Avoid contact with clothes, carpet, or upholstery. If contact occurs accidentally, wash clothing, carpet, or upholstery with warm, soapy water. For best control of flea, tick, and chigger lice, do not wash the treated pet within the first 30 minutes.

Toxicity: If swallowed, stop eating and consult a veterinarian immediately. Do not apply to animals allergic to lime, citrus, or peppermint.
