# CALMINGCOAT

Anti-Anxiety & Stress Relief Coat For Your Dog

## fitting instructions

### Step 1

Place your **Calming Coat** on your dog's back. Fit the **Long Chest Wrap** around the front of your dog and secure to velcro on **Short Chest Wrap**. Be sure not to secure too tightly, to prevent limiting your dog's movement.

### Step 3

Continue the **Long Body Wrap** over the back of your dog.

### Step 2

Wrap the **Long Body Wrap** under the torso of your dog through the **Body Slit**.

### Step 4

Wrap **Short Body Wrap** under the torso of your dog and secure to velcro straps on opposite side of **Long Body Wrap**. Adjust as needed for proper snug fit.
